

INVITATION AND GUIDELINES FOR THE 2022 INTERNATIONAL MEZZOTINT SOCIETY

MEZZOTINT EXCHANGE

Welcome to the IMS Exchange 2022. Once again this year, we are hosting a truly international exchange with members from across Europe, the US, Canada, Mexico, New Zealand and Asia. We are proud to welcome so many international mezzotint artists and thank you for taking part and sharing your works.

This is the 22nd year of our exchange, and we have built up a reputation for high-quality mezzotints. Some of our early exchanges are now held in the collection of the Ekaterinburg Museum of Fine Arts. Many of our members have organised exhibitions of our exchanges all over the world. If you are organising an exhibition (or a collection donation) from this exchange, please let us know so that we can inform our members to add the exhibition to their CVs.

This is an invitation to all member artists to take part in the IMS Exchange 2022. The exchange is limited to 25 artists.

The deadline for artists to RSVP for participation is 30 June 2022. Please respond as soon as possible so that decisions can be made regarding which artists to include. This will not be on a 'first come, first served' basis, and all artists who apply will be notified whether they have been accepted onto the exchange or placed on the waiting list.

There is a limit of 25 artists. We will invite a number of artists to ensure a diverse exchange, and the remainder will be artists who have RSVP'd.

Exchange artists are expected to send an edition of 26 mezzotints (one for each member of the exchange and one for the IMS archive). In return, everyone will receive one mezzotint from each of the 25 participating artists. Please bear in mind that the paper size should be as close as possible to the standard size (due to differences in our measurement systems). The small paper size helps us to use a smaller envelope, thereby reducing costs.
